

Giselle

Cap Classique

2020

The wine

Cultivar: 100% Chardonnay

Cellaring Potential: 10 years

Wine of Origin: Western Cape

Giselle is a Blanc de Blancs Cap Classique crafted from 100% Chardonnay using the Cap Classique method.

Winemaking

The grapes are hand-selected, whole-bunch pressed and the wine spends 24 months on its lees, developing delicate brioche, citrus blossom, green apple and mineral characteristics before disgorgement.

The tasting experience

A beautiful sun ripened straw colour with a fine mousse. The nose delivers notes of freshly cut green apples, citrus blossoms, lime zest and toasted brioche. The palate is graced by beautiful citrus notes complimented by fine mineral undertones and a plush and velvety mousse. The finish leaves the palate refreshed and clean.

Serving & Pairing

This wine is a perfect aperitif and goes beautifully with freshly shucked oysters, or simply on its own. Celebrate life!
